

North Elementary

December 2021

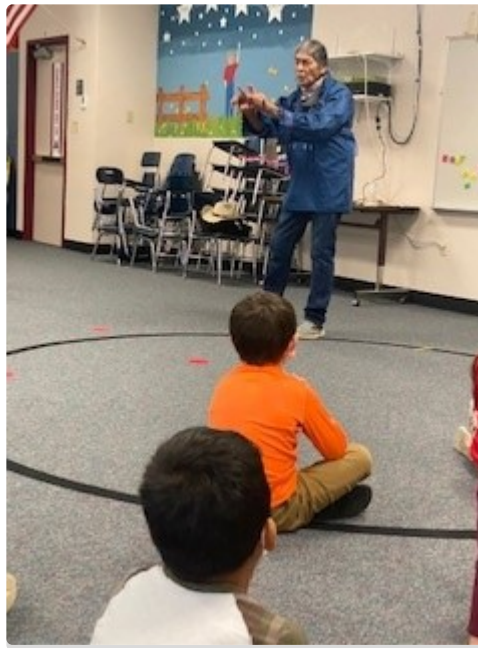

Christmas Basket Coin Drive!

Students brought in coins to help support the Christmas Baskets for our community. The class from each grade level that brought in the most coins, by weight, got to participate in a special STEM class. Our generous students and families brought in **\$2055** to support the Christmas Baskets!

Native American Storyteller Visits North

Native American storyteller, Dayton Edmonds captivated students attention and imagination with his unique stories.

Holidays Around the World

Students in Ms. Robinson's class learn about holidays around the world.

Gingerbread Houses

Holidays Around the World

Students got their passport and "visited" other countries to learn about holiday traditions.

Gingerbread Houses

PUD Assembly

Second grade students learned about the six forms of energy in an engaging PUD assembly.
