Kindergarten Concert

Parents, please come and enjoy the **Kindergarten Concert on May 21st at 1pm**. The concert will be in the North Elementary Gym. Doors will open at 12:45 for seating.

Kindergarten Registration has begun for next year!

Please pick up a registration packet at our front office if you have a student that will be starting Kindergarten in the fall. We will be offering a Kindergarten Tour for all students and preschool programs to come and see what kindergarten is all about. You can learn more about the dates and times of our tours upon registration.

Lost & Found

Our Lost & Found is overflowing with coats and hoodies. If you are missing any items please come and check out our Lost & Found before or after school. All unclaimed items will be donated at the end of the year.

End of the Year Information

If your child will not be attending the last day of school, you will need to pick up their report card and any other items in the front office by June 13th. We will no longer be mailing unclaimed items to families.

Class Placements

As we think about next year, many parents start to think about which teacher would be the best fit for their child next year. Our goal is to ensure the best classroom placement for all students and balance the academic and social needs of each classroom. We welcome parent input on what environment and strategies would be the best for their child but do not accept requests for specific teachers. There is a form for parents to complete should they want to provide input on their child's placement. You can pick up the forms in the school office or request one from your child's teacher. Please return all input forms to Principal Stone or the front office. All forms need to be received no later than **May 28** since we place students before the end of the school year.

Moving?

If you will be moving before next school year, please let our office know so that we can accurately plan for classrooms next year. Thank you!
