

# EMMA WILSON

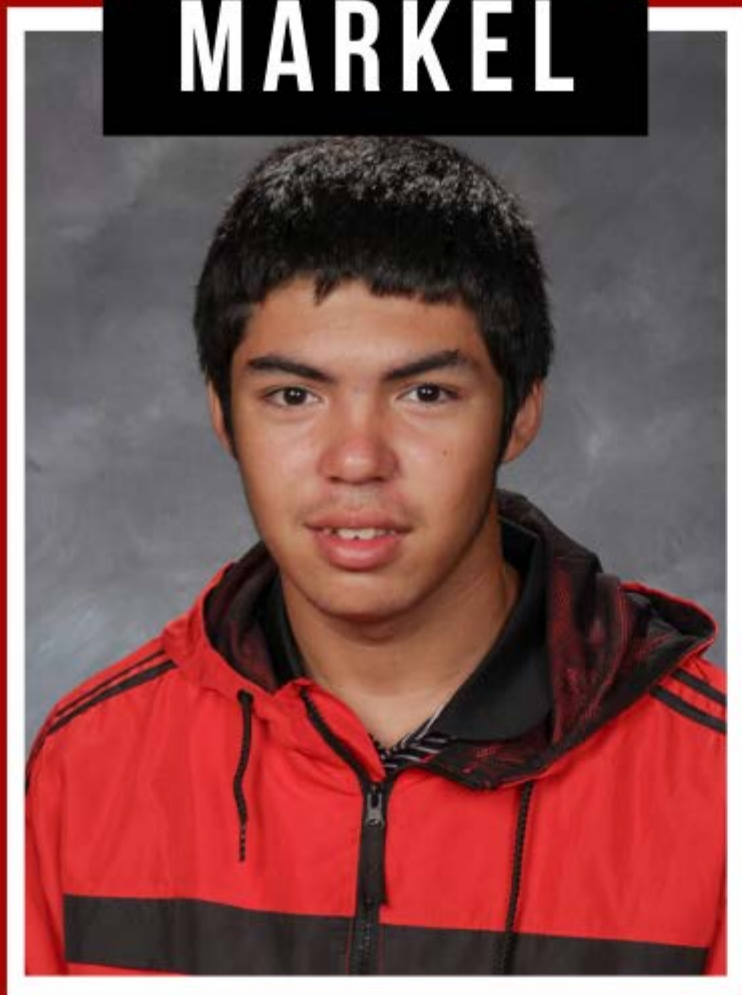

"Emma is a hard worker and is always very positive. Her positive attitude carries over to her teammates each and every day- -practice and matches. She encourages others to do their best. With her great attitude and work ethic, she has improved tremendously this season and has become one of our most consistent doubles players on the girls' team. She has this same attitude in the classroom where she is one of Omak's top academic students. She is a true leader on and off the court."
