

TORI BEAVER

"Tori has been working very hard and improving at a fast pace. She is focused on not only making herself better, but it is important for her to work hard so that her teammates can get better too. She constantly talks about doing whatever is needed to help her teammates out. She started out playing #2 doubles but has worked herself up to #1 doubles. Tori will challenge her teammates by saying, "If I can do this, then you can too." Her work ethic in practice is an inspiration to her teammates."

PATRICK RAMEY

"Patrick has been selfless both at practice and during games. He is the anchor in our back line leading the team in header clearances and tackles in the defensive third. As a captain and senior, he is leading, encouraging, and teaching the younger group of athletes in our program. He is one of the top defenders in the league so far."
