

SHANNON FAHEY

"Shannon embraces all the criteria of this award and has been a real leader in getting the team motivated this year. She puts in time outside of the season to improve herself and always works on things asked of her. She is one of the top passers and hitters for me this year and is a great asset to our team. She is also one of only two girls playing on varsity right now that I have had a chance to coach all four years. Seeing her growth during that time has been so fun to watch."

-Shannon O'Dell
HS Head Volleyball Coach

OCTOBER 2018
STUDENT ATHLETE OF THE MONTH

ISRAEL ESCAMILLA

"Israel always comes to practice ready to work hard and sets an example that his teammates can aspire to emulate. His hard work paid off by qualifying for state in a tough district meet this season by placing 3rd and earning 1st team all-league honors. Israel represented Omak well at the state meet earning a state medal by placing 14th. Israel now becomes the highest placing Pioneer boy at state since 1999. Israel put in six years of hard work and was extremely focused. His dedication to the sport of running has paid off."

-Sean Kato
HS Head Cross Country Coach
