

GISELLE ARCINIEGA

"Giselle is one of our captains who leads both on the field and off. She reaches out to all our ladies to see how they are doing. She makes it a point to be with the team at lunch and interacts with the freshmen very well. Giselle is one of the hardest workers on the field. She never gives up and always finishes strong. She is honest and rarely misses practice. So far this season, she has tallied 10 goals (school record) and is putting 78% of her shots on frame."

TANNER HALL

"Tanner has had a great season to date by leading our team through five games in rushing with 500 yards and second in receiving 223 yards. This month he set the record for the longest pass reception this season at Lakeside with a 98-yard touchdown reception. He is also one of our defensive standouts and is a very sure tackler. In addition to his offensive and defensive abilities, he is very dangerous on special teams. Tanner has worked hard in the last few years to get his body ready to have a breakout year, and it is wonderful to watch him take advantage of his opportunities."
