

ALYSSA DAVIS

"Alyssa Davis has been a rock on the team this year as a freshman. She is dedicated and has done everything we asked her to do this year. Alyssa finished the season with six goals, three assists, and scored on one penalty kick. She has played in multiple positions, is a good student, and a selfless player"

-Chris Werner
HS Head Girls Soccer Coach

TANNER HALL

"Tanner Hall has been a complete football player this year. He is a leader of our secondary on defense, making sure everyone is in position and ready to play every practice and game. On offense he has had an amazing season. He has averaged 200 yards per game and has broken the high school scoring record with 29 touchdowns in only 8 games. Tanner's attention to detail has been great this year. He studies hours of film each week in preparation and this has had a direct effect on Friday nights. Tanner has shown great leadership this season. He has helped our team go undefeated in the regular season and to be league champs for two consecutive years. It has been great watching all of Tanner's hard work turn into a very successful senior season."

-Nick Sackman
HS Head Football Coach
